Congratulations to Brian Kemp on your very big win in Georgia last night. Wow, 69-30, those are big numbers. Now go win against the open border, crime loving opponent that the Democrats have given you. She is weak on Vets, the Military and the 2nd Amendment. Win!

What kind of a lawyer would tape a client? So sad! Is this a first, never heard of it before? Why was the tape so abruptly terminated (cut) while I was presumably saying positive things? I hear there are other clients and many reporters that are taped - can this be so? Too bad!

China is targeting our farmers, who they know I love & respect, as a way of getting me to continue allowing them to take advantage of the U.S. They are being vicious in what will be their failed attempt. We were being nice - until now! China made \$517 Billion on us last year.

When you have people snipping at your heels during a negotiation, it will only take longer to make a deal, and the deal will never be as good as it could have been with unity. Negotiations are going really well, be cool. The end result will be worth it!

Every time I see a weak politician asking to stop Trade talks or the use of Tariffs to counter unfair Tariffs, I wonder, what can they be thinking? Are we just going to continue and let our farmers and country get ripped off? Lost \$817 Billion on Trade last year. No weakness!

"The Russia Hoax, The Illicit Scheme To Clear Hillary Clinton & Frame Donald Trump" is a Hot Seller, already Number One! More importantly, it is a great book that everyone is talking about. It covers the Rigged Witch Hunt brilliantly. Congratulations to Gregg Jarrett!

So sad and unfair that the FCC wouldn't approve the Sinclair Broadcast merger with Tribune. This would have been a great and much needed Conservative voice for and of the People. Liberal Fake News NBC and Comcast gets approved, much bigger, but not Sinclair. Disgraceful!

The European Union is coming to Washington tomorrow to negotiate a deal on Trade. I have an idea for them. Both the U.S. and the E.U. drop all Tariffs, Barriers and Subsidies! That would finally be called Free Market and Fair Trade! Hope they do it, we are ready - but they won't!

I'm very concerned that Russia will be fighting very hard to have an impact on the upcoming Election. Based on the fact that no President has been tougher on Russia than me, they will be pushing very hard for the Democrats. They definitely don't want Trump!

Brian Kemp, who is running for Governor of Georgia and has my full endorsement, is campaigning tonight with VP @mike_pence. Brian is very strong on Crime and Borders, LOVES our Military, Vets and the 2nd Amendment. He will be a GREAT Governor!

Tariffs are the greatest! Either a country which has treated the United States unfairly on Trade negotiates a fair deal, or it gets hit with Tariffs. It's as simple as that - and everybody's talking! Remember, we are the "piggy bank" that's being robbed. All will be Great!

Countries that have treated us unfairly on trade for years are all coming to Washington to negotiate. This should have taken place many years ago but, as the saying goes, better late than never!
